Governor Information

Our Governors come from a range of backgrounds, and bring different areas of expertise to the school. A Governor's role is to support and challenge the senior staff to continually improve the school. Governors do this through undertaking visits, sitting on committees, giving professional advice, and asking probing and challenging questions of leaders within the school. Governors are also responsible for overseeing the Head Teacher's performance management; in doing this they contribute directly to shaping the strategic direction of the school.

The Governing Body is composed of 12 members:

- 7 Foundation Governors appointed by the Diocese of Westminster
- Head Teacher – Ex-officio
- Staff member – Elected by staff
- 1 Local Authority – appointed by Islington LA
- 2 Parents – Elected by parents
