

## **St Peter and St Paul Catholic Primary School Sports Funding Premium 2015-2016**

### **Our Vision**

At St Peter and St Paul Catholic Primary School we aim to establish an outstanding PE programme to develop a sporting culture which helps to improve all pupils' physical wellbeing and lifestyles through a planned programme of action to promote participation, progress, completion and enjoyment.

### **Primary School's Sports Funding**

#### **What is the Sports Premium?**

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15 and 2015/16 to improve provision of physical education (PE) and sport in primary schools. This funding will be allocated to primary school head teachers.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools will receive a lump sum of £8,000 plus a premium of £5 per pupil for the three academic years. Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding can include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in school games
- buying quality assured professional development modules or materials for PE/sport

**At St Peter and St Paul, we have agreed that the money must be used so that:**

- all children can benefit regardless of sporting ability
- that the most able children are given the opportunity to compete in tournaments
- that staff have access to training opportunities and continued professional development

### **Our overall aims**

1. Improve the quality of the school P.E. programme by:
  - Delivering P.E. focused staff training through staff meetings and INSET days
  - Employment of sports specialists to teach pupils and to team teach/ deliver CPD to staff
  - Investigating and explore good practice from other schools to further improve our P.E. curriculum
  - Supporting teacher planning and assessment with high quality materials and resources.
  - Purchasing high quality, approved resources to support the delivery of PE across the school.
  - Ensuring that all aspects of our PE provision are sufficiently embedded to meet the challenges of the society we live in.
  
2. To develop the leadership skills of our senior students, so that they are equipped to become playtime leaders and coaches, in line with Olympic values.

### Use of Sports Premium 2015 – 16

Funding for the academic year is expected to be **£ 8840**. We should receive a similar amount for the academic year 2016 – 2017 although this may fluctuate slightly due to numbers on roll.

Key Objectives	Costing and funding breakdown	Action Taken	Impact
<p><b>1. Provide a broad and balanced curriculum and improve the quality of teaching and learning and staff professional learning</b></p> <p>Receiving expert advice to evaluate strengths and weaknesses in PESS and implement plans for improvement</p> <p>To provide high quality teaching of swimming by Swimming coaches in order for pupils in Key Stage 2 to become more confident, competent and improve swimming standards</p>	<p>£4000</p> <p>£1411 (for the autumn term)</p>	<p>School is part of the London Borough of Islington package whereby a specialist advisor works with the school to improve PE provision.</p> <p>Hire of the main and teaching pools at Ironmonger Row Pool with qualified teaching instructors for Key Stage 2 classes to attend lessons</p>	<p>More confident and competent staff which enhances the quality of teaching and learning which raises standards and encourages positive attitudes to health and well-being.</p> <p>Increased pupil participation (Swimming) More confident pupil swimmers Enhanced inclusive curriculum provision</p>
