Home School Agreement Policy

ST PETER AND ST PAUL R.C. PRIMARY SCHOOL

has been founded to provide for the educational needs of Roman Catholic families in this part of the diocese of Westminster. Therefore, religious observance and education in the school shall be in accordance with the rites and practices of the Roman Catholic Church.

Regular Sunday attendance at church for mass is also expected, as further support from home, for Catholic Education and Christian religious formation at school.

It is the school's fundamental aim that pupils should receive an education of a higher standard, provided by teachers dedicated to the task of the Christian formation of children and young people, in an atmosphere pervaded by gospel values and message of Christ.

This means that Religious Education while given in full expression in the prayer life of school, it acts of worship and instruction in the faith is not limited to these

As the Bishops have said, "The beliefs and values it communicates should inspire and unify every aspect of school life. It should provide the context for, and substantially shape, the school curriculum and offer living experiences of the life of faith in its practical expression."

The Governors value and welcome the co-operation of parents, the prime educators of their children, in seeking to achieve these aims for pupils attending the school.

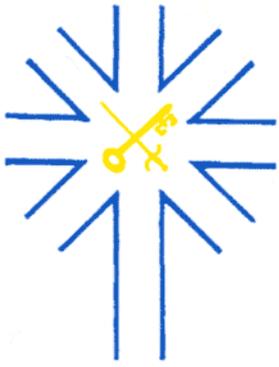

The School aims

- to provide a safe, well-ordered caring Christian Environment in which learning can take place;
- to value each pupil as an individual;
- to provide programs of teaching and a range of opportunities, designed to enable all pupils to achieve their full potential;
- to give regular information about progress and performance;
- to give early warning of problems whether associated with work, relationships or discipline;
- to maintain effective communications over matters of specific or general interest.
