

## Religion- Other Faiths

Every child is a unique creation of God. We actively encourage each child to reach their full potential and we provide essential learning to young people in coming to understand the world around them, both in terms of the people they meet and the big ideas they encounter. We want to inspire and nurture every child within a happy, secure and stimulating, inclusive environment. Other faiths such as Judaism, Islam, Hinduism and Buddhism will be taught in 3 parts throughout the year, in accordance with The Way, The Truth and the Life and we will use the Islington RE planning to help us do this. We will also learn about any special occasions or celebrations that arise in different religions throughout the school year.
