

27 June 2025

Dear Tracey,

Congratulations to the St Peter & St Paul community on the very positive outcomes of your recent Catholic Schools Inspection. The report reflects a school community that is clearly dedicated to living out its mission in a meaningful and authentic way.

The outstanding judgement for *Catholic Life and Mission* is a true reflection of how your school lives out its mission to "love one another." The care shown across the community, the commitment to social justice, and the depth of pupil understanding and leadership are particularly impressive.

In *Religious Education*, it is wonderful to see the children engaged, enthusiastic, and proud of their learning. The creative and thoughtful teaching approaches clearly support pupils in developing strong religious literacy and a personal connection to their faith.

Your provision for *Collective Worship* also shines through. Prayer and liturgy are central to the life of the school, with pupils confidently leading worship and staff supporting them in impactful ways. The use of sacred spaces like the chapel and prayer garden further enriches this important aspect of school life.

WE must also recognise that it is the strong and committed leadership, supported by knowledgeable and dedicated governors that plays a key role in ensuring the school's Catholic identity continues to flourish. This report is a testament to the hard work, dedication, and shared sense of mission that defines your school. Well done to everyone involved.

The report has now been published on the Diocesan website, it is, therefore, ready for you to share with parents and to publish on your website.

We want to improve the quality of what we do and your reflections on the process will help us with that. To that end, I would be grateful if you would complete the evaluation form via this [link](#).

Best wishes,

**Nancy Conoboy**  
Chief Inspector of Schools
